We all write and perform ceremonies in English only – although we may be able to do small parts in other languages if requested. If you do need a Celebrant with other languages to perform a bi or multi lingual ceremony, or if we are unavailable for your date, there is a wonderful community of celebrants on the island and we would be happy to give you our personal recommendations.

\*Carly is fully booked for 2024.

## TIMELESS

800€ + 21% VAT

Our Timeless wedding ceremony is a pre-written script written with a modern tone and wording about life, love, relationships and marriage.

It includes a warm welcome and thanks to your guests for being there with you, a few highlights of your story so far, words about marriage, a space for you to say your vows, the exchange of rings and any additional rituals you might like to add - all building to the big, important moment... the announcement and kiss!

This script is customised throughout to reflect you, your preferences, music choices, readings, vows, rituals, and personal touches, to make it truly meaningful and memorable for you and your guests.

You can read more detailed descriptions of each ceremony type on the website, [here](#).

When you book with us you will receive a login to a private area of our website where you will find a questionnaire along with lots of inspiration and ideas for your ceremony, such as vows, readings, music and rituals.

With both ceremony options, you will be sent your script in full, after your wedding day, as a keepsake and special memory to look back and reminisce on.

## ICONIC

1000€ + 21% VAT

Our Iconic wedding ceremony is as unique as you are.

By getting to know you through a questionnaire, video calls and through stories and words about you from your nominated friends and family; we will design your ceremony specifically for you, from beginning to end.

The result is a one-of-a-kind and deeply personal ceremony that showcases who you are, what you mean to each other, and your hopes and dreams for your future together.

Your ceremony will set the tone for the rest of the day - it could be light-hearted, witty, anecdotal, romantic, tear-jerking, or a mix of it all and more.

By working closely with you, we will create the ceremony of your dreams.

Ben

"I can honestly say that Ben was amazing from start to finish. He was so friendly and wanted to know all about us as a couple. He was always on hand if we needed a question answering.

At our ceremony he was warm and welcoming, he quickly made us feel at ease and we were really pleased with the script he created. All our guests commented on how lovely the ceremony was. Love the hat too! "

"Ben just totally got us right from the start. We were quite nervous and unsure when it came to planning our ceremony but we felt incredibly at ease via our video calls and planning process with him and he came up with ideas and gave us suggestions to help us with our nerves and make the whole experience enjoyable. I can honestly say the ceremony was the highlight of our day, it was everything we didn't know we wanted, and more"

Carly

"WOW! What an incredible day renewing our vows and all made special by the truly incredible Carly. From start to finish Carly was just amazing. She sat and listened to exactly what we wanted, kept in touch with messages and emails throughout, making sure she had everything correct. Made some fabulous suggestions and was just so relaxed throughout the whole process. She got me excited about the incredible day that was to come. Carly's voice is magical both singing and speaking. I could not recommend anyone better than Carly and am thankful all the hard work she put in. She is just fabulous! ❤️"

"Carly! What can I say about this wonderful human.. She was incredible! I had heard wonderful things, meeting her throughout the process and getting to know her I trusted it was going to be a lovely ceremony but I just wasn't ready for how amazing it actually was! I have been to lots of large weddings in my time and the ceremony is generally the boring bit that everyone is waiting to be over, this definitely was NOT that.."
